

The Schuman Center

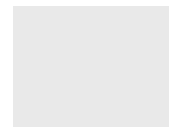

The Schuman Center is nationally known for the extensive experience of Dr. Ethan Schuman in practice management, high tech dental advances and patient communication skills.

The Schuman Seminar series passes that information directly from Dr. Schuman to you. You will learn communication skills that will enable you to sell the big cases that you wish to do. His esthetic skills and many veneer cases will be shared. Dr. Schuman is a pioneer in no prep veneers and can revolutionize the smile in less than one hour.

Come join us in Bozeman, Montana from 19-23 August, 2012, for this exceptional office management and dental experience. Places are limited. The price is \$2300 for a dentist and \$1200 for auxiliary staff.
